1. The Cochin Factories Bill — Act II of 1113.
2. The Cochin Boilers Bill — Act V of 1113.

Statement Laid on the Table.

Rama Varmha Tampuran (*Comptroller of Accounts*).—Sir, under Rule 52 of the Legislative Council Rules I beg to place the following statement of expenditure authorised by Government under Section 16 (9) of the Legislative Council Act, VIII of 1098.

Serial No.	Head of account.	Amount Rs.			Explanation
1	1. Land Revenue charges for antirabic treatment	200	0	0	The allotment under the head was completely exhausted towards the close of 1112 and as it would be very hard to put off payments to the antirabic patients an expenditure of Rs. 200 had to be sanctioned urgently in the closing days of the last year (1112).
2	12. Tramway A. Capital 4. Bridges	3,425	11	10	On account of the non-receipt of iron girders in time the reconstruction of the Kuriarkutty bridge could not be completed last year as anticipated and hence a sum of Rs. 3,425—11—10 lapsed. The amount so lapsed had to be sanctioned as additional allotment urgently as the Tramway Revenue would be affected if the reconstruction of the bridge was not executed expeditiously.
3	15. General Administration (1) Huzur Secretariat Miscellaneous	2,400	0	0	The electoral rolls had to be completely revised in accordance with the Government orders on the Report of the Franchise Committee and as there was no time to be lost a temporary staff had to be appointed to finish the work in time. An expenditure of Rs. 2,400 had therefore to be granted urgently towards the pay, Travelling allowance and other contingent expenses of the staff thus appointed.
